

PINE

SCENTED MULTI-PURPOSE NATURAL* DETERGENT

- Effectiveness tested against market leader in a ISO 17025 certified laboratory
- Fully biodegradable product made of vegetal origin raw materials*
- No CLP pictograms

Universal multi-purpose detergent for the daily cleaning of hard surfaces. Excellent also for scrubbing machine. Pine scent with eucalyptus essential oil, delicate and long-lasting fragrance. It contains vegetal origin raw materials (e.g. surfactants, solvents) coming from the processing of corn, potatoes, sugar beet and coconut oil. Phosphate and nickel-free (less than 0.01 ppm). Dermatologically tested product (human patch test - not tested on animals). The absence of CLP warning signs means that the product is safe both for the operator and the environment, provided it is used according to the usage instructions and to the other information on the label.

? HOW TO USE

Manual cleaning and/or in scrubbing machine. Dilute the product, spread the solution on the surface, let it act and rinse in case of product residual.

📄 DILUTION

1% (100 ml in 10L). The suggested dilution allows to economize and reduces the environmental impact to the minimum. A small amount of product is enough compared to a diluted product.
